

BLEED AREA: TEXT AND IMAGES IN THIS RED SHADED AREA WILL BE TRIMMED

FRONT COVER (4.344 in)

FOI D.

DO NOT place important texts or images beyond the green dotted area to ensure that elements would not get cut.

Blue dotted line is the actual cut of the final design.

Extend the background of your artwork to the edge of this template if you want your artwork to extend to the edge of your final prints. 1/8 inch bleed on each side is our requirement.

If your artwork has borders, its thickness should be at least 3/8" from the trim line in order to preserve the symmetry of your design.
