## SAFE ZONE

**SAFE ZONE**  
DO NOT place important texts or images beyond the green dotted area to ensure that elements would not get cut.

**TRIM LINE**  
Blue dotted line is the actual cut of the final design.

BLEED

**BLEED**  
Extend the background of your artwork to the edge of this template if you want your artwork to extend to the edge of your final prints. 1/8 inch bleed on each side is our requirement.

## BORDERS

**BORDERS**  
If your artwork has borders, its thickness should be at least 3/8" from the trim line in order to preserve the symmetry of your design.
